## **The Minister writes:**

For the last few years, the March magazine has been published as we begin Lent. Once again we have an opportunity to use this month as a preparation for the great festival of Easter.

Lent can be seen as a time for growth. Not just growth for the sake of it, but growth into the likeness of Christ. It is all too easy to become complacent and stuck in our ways, so often we need some sort of jolt to change. This can make growth uncomfortable even painful.

Traditionally, Lent has been a time of giving things up, and that can be helpful. The act of self discipline is helpful in itself. The idea of growth is a very positive one, particularly as it is also Spring time when we are beginning to see signs of growth around us. While this growth happens spontaneously in nature, we can do things in our garden to help. Cutting back plants is a way of encouraging growth, as is digging out weeds and spreading fertiliser. In our spiritual life there are many ways of applying these principles. Cutting back can give us a positive reason for giving things up. It is all too easy to fill our lives with business. Jesus was particularly good at spending time in prayer so he knew what to say no to. So maybe giving up a TV programme could be helpful if we used the time to enrich ourselves in other ways.

This could take a number of forms: taking time to read the Bible and pray; deciding to spend time with neighbours or friends; or choosing to care for someone perhaps with a phone call or writing a letter. The digging up of weeds can also be a picture of cutting out things in our life that are not helpful. This means taking time to discern the areas of our lives that leave us more desolate or diminished. This might be just stopping things or it could lead to the whole area of confession. Confession then becomes a positive experience as the fault is faced up to and dealt with by decisively turning away from it. By God's grace we are then set free from the consequences.

Let this Lent be a time for growth, as we ask the Holy Spirit to make us restless till we change, and prepare for the glorious celebration of Easter.

*Rev Bill Henderson*

## Stanley Surgery News

After 25 happy years, Dr Janice Woodrow is retiring from the partnership at Stanley Surgery.

Patients are welcome to drop in to the surgery waiting room to say goodbye to Dr Woodrow on Wednesday 20th March between 1pm-3pm. She will be greatly missed by the whole community and everyone is warmly invited to call in on this day to offer their best wishes. From April, Dr Fasae will be welcomed to the practice; he has been providing locum cover for the past few months and so will already be familiar to many.

The practice premises will be undergoing major refurbishment and extension starting on 1st April 2013. This will be a 9 month project which will give increased consulting room space and improved facilities. Parking at the surgery will be temporarily disrupted but arrangements have been made with The Travellers, opposite, who are kindly providing alternative parking space for patients during this period. Updates about the progress of the work will be available via the practice newsletter, from reception, or from the practice website: [www.stanleysurgery.com](http://www.stanleysurgery.com).

### Crafty Kids

Come along and enjoy this monthly children's crafts  
afternoon at St Peter's Church Centre

*Making, sticking, knitting, mosaics, crafts for all ages!*  
*Come along and enjoy various crafts without the tidying up!*

The cost is just £1.50 plus 50p for each additional sibling  
No booking required! Refreshments also available

## **Bill's visit to Africa**

Last summer, Bill spent seven weeks visiting various place in Africa as part of his three month sabbatical.

The first part of Bill's visit was in Kisumu, Kenya, where he spent time seeing how his daughter's project is progressing. Suzy set up a women's health initiative which has already helped thousands of women in rural areas. Kisumu is on the edge of Lake Victoria and is a sizeable town with roadside stalls selling fruit, vegetables and barrels of water. While in Kisumu, Bill met up with Rosalia who introduced him to her church in a slum area of the town. He went to one of the church services there and was amused by the fact that there was no one there at the beginning of the service; everyone waits until the singing starts! He was also impressed with how even the houses in the slum areas are very well kept.

From Kisumu, he travelled across the border to Kampala, in Uganda to stay with a family who run a game lodge. While there, he went on a horse safari, the highlight of which was cantering among a herd of zebra! Throughout his trip, he was struck by the gulf that can sometimes exist between rich and poor: the slum areas and the luxury safari lodges. There are huge plantations of rice, tea and sugar cane, but they are owned by big companies who take the money away from the local communities.

Back in Kenya, Bill met up with Florence, a community worker who set up a project to care for the many orphans in her locality, with agreement and support from everyone else in her neighbourhood. He then embarked on the long journey by small plane across to Juba, in South Sudan. He flew with Mission Aviation Fellowship, a Christian organisation that flies into remote areas, helping to transport medical and church workers, and that begins every journey with a prayer!

From Juba, he travelled to Mundri, where he and Viv lived for several years in the late 1980's. The area around Juba and Mundri is heavily forested and sparsely populated. There are isolated areas where people have settled and cleared the land to cultivate the crops. In rural

Africa it is essential to be able to farm the land; if you don't grow your own crops, you will starve. Cattle are increasingly becoming a problem for farmers. Cattle herders from the north have moved south and there is much conflict when they allow their animals to trespass on to farm land.

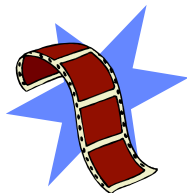

A highlight of Bill's visit was meeting up with old friends. Bismark was a young man at the Bible College twenty years ago, and is now the Bishop of Mundri. Bill did some teaching at the Bible college while he was there and was struck by how much communications have improved. Mobile phone technology has really taken off but it is still difficult to get phones charged. Some initiatives encourage people to make their own windmills with locally sourced materials which power the batteries to charge phones. Bill took with him two solar-powered battery packs to give as gifts: they were very gratefully received. Bill was also reunited with Zilipa, the lady who looked after his eldest daughter twenty years ago, and Keliona, his assistant.

Back in Kenya, Bill then embarked on the long overland journey south to the Tanzanian border. He spent a very busy time in the Mara region seeing the work that the Water for Life project has done in the area, by building wells of various designs for the rural villages. Local gold mining has contaminated some drinking sources with mercury and there is still a problem with mending and maintaining wells.

He visited Musoma, the capital of the Mara region, and also the areas of Tarime and Rorya where he did some more Bible teaching. In the village of Sakawa, with which St Peter's is linked, Bill was reunited with Rose and Samuel Kayus whom he met on a previous visit.

Since returning to the UK, Bill has been invited by the Water for Life project to return to Tanzania in May for several weeks to help with discussions about how the project might be extended.

St Peter's Church  
**Film Club**

**Friday evening, 8th March, 7:30pm**

**‘Contagion’ (2012) 12 Rating**

‘Contagion’ follows the rapid progress of a lethal airborne virus that kills within days. As the fast-moving epidemic grows, the worldwide medical community races to find a cure and control the panic that spreads faster than the virus itself. At the same time, ordinary people struggle to survive in a society coming apart. Directed by Steven Soderbergh, ‘Contagion’ brings together a stellar cast, including Matt Damon, Marion Cotillard, Laurence Fishburne, Jude Law, Gwyneth Paltrow and Kate Winslet.

Paltrow and Damon play a suburban Minneapolis couple, but when Paltrow returns from a business trip to Hong Kong bringing with her a virus that spreads around the world, they find themselves at the start of a horrifying epidemic. The film deals with some weighty issues, in a thought-provoking and thoroughly realistic way. In our crowded world, could such a destructive virus develop and spread rapidly? And are we prepared for it?!

**Free admission, tea & coffee, but bring your own popcorn!**

*Film shown at the Church Centre, Lake Lock Road, doors open 7pm*

**Wine tasting evening**

**At the Church Centre, Friday 15th March,  
7:30pm til late**

The popular annual event returns with a 'Guess the Wine' competition, nibbles, and a raffle.

Tickets cost £10 which includes a sample of 6 different wines, 3 white and 3 red. Tickets are available from the Church Office, telephone 835746. Formal dress optional.

## **Reports from our local schools**

### **St Peter's CofE Primary & Nursery School**

*Lake Lock Road, Stanley, Wakefield, WF3 4HS*

*Tel: 01924 303175, Headteacher: Mr Lee Wilson*

It has been a busy few weeks in school during February. We started with the arrival of the snow and thanks to committed staff and volunteers, we were able to keep the school open. The children who were able to safely travel to school had a great time, particularly out in the snow at break and lunchtimes! The children really enjoyed exploring the wintery conditions and made a number of snowmen on the playground.

The Reception class were visited by 'Jungle Treks' who brought a number of exotic animals into their classroom. This was all part of their topic on the Rainforest. The children met snakes, spiders, giant snails and other insects. A great time was had by all.

The children in Upper Key Stage 2 held a 'Tudor Day' where they gained first hand experience of life during Tudor Times.

In Lower Key Stage 2 the children held a giant tea party as a culmination of their work in Art & Design Technology. The classes had been designing and making their own tea sets based on the work of Clarice Cliff. They also made their own 'tea based' drink.

Children in Key Stage 1 have been learning all about London. They have made some fantastic models of Tower Bridge as well as some amazing drawings using chalk. All of the children's work from the last half term is included in our half termly exhibition which opens on Tuesday 26th February and can be visited (9am—9.30am and 3.30pm—4pm) each day until Friday 1st March.

We said goodbye to Mrs Taylor (our Learning Mentor) who moves onto a post as a HR Director. Mrs Taylor made a massive impact on our school life, particularly in terms of playtimes and lunchtimes with the introduction of 'Mrs Taylor's Dance Time'. We wish her all the best for her new role.

We have lots to look forward to in the next term with Comic Relief and World Book Day all taking place in March. We will report more on these events in the next edition of the magazine.

## **Stanley Grove School**

*Aberford Road, Stanley, Wakefield, WF3 4NT  
Tel: 01924 303805, Headteacher: Mrs J Frost*

The Early Years Unit's topic is 'People who help us' and are focussing on firemen. They are making fire engine models, and also reading the Easter story and working on an enterprise project.

Class 1 is learning about the jungle. In science, they are looking at sound and hearing and are making their own musical instruments.

Class 2 are studying the Katie Morag books and learning about islands. They're making clay sculptures of lighthouses, writing postcards, and are also reading Bible stories.

Class 3 is studying the weather: they are writing weather poetry, looking at weather maps and learning about the water cycle. In Art, they are learning about artists such as Monet and Van Gogh and their different techniques.

Class 4's topic is Anglo Saxons. They learning about different societies and historical events; they are reading diary extracts and doing some weaving.

Class 5 is learning about the Tudors: how they lived, the difference between rich and poor, and will be looking at Tudor portraits. They are also going on a school trip to the Royal Armouries in Leeds to help with their topic work.

The whole school is studying the Seals topic: 'Good to be me' and we have enjoyed some excellent class assemblies when the different classes have taken turns to tell the rest of the school and the parents about their class work.

The school council is organising a number of events to support and celebrate Red Nose Day on Friday 15th March. The children will be encouraged to share jokes and funny stories and everyone is invited to wear something red and help raise some money.

On Thursday 21st March, from 3:30m—4:30pm our Early Years Unit will be holding an open evening for prospective new families. Please come along and have a look around our unit and the main school and meet the staff.

## Stanley Residents Group

The next meeting of the Stanley Residents Group will be on Thursday 7th March in the Thatched House pub at 7pm. The group is attended by local councillors and sometimes the local neighbourhood police and is a great place to discuss issues about Stanley.

On the agenda will be the proposed massive housing development between Parkside Lane and Barnstone Vale, alongside Aberford Road. Anyone who is interested in discussing this and the impact it will have on Stanley is invited to come along to the meeting.

## Looking ahead to the church AGM

St Peter's Church AGM will be held on Sunday 21st April at 12pm after the morning service. Various reports will be presented, including the financial statements, and a review of what has happened during the past year, and the vision for the future.

In readiness for this year's AGM, the electoral roll must be completely revised. Anyone living in the parish can go on the roll whether or not they go to church; anyone living outside the parish can go on the roll as long as they are regular church-goers. If you are currently on the roll, you will be contacted shortly and asked to fill out a new form. If you would like to join the roll, please contact the church office on 835746 and ask for a form.

## ***Prayers for March***

### **No Time for Prayer?**

What is this life if, full of care  
We have no time to spend in prayer?  
No time to meet our Father, dear  
And hear the words we need to hear?  
No time – because we're rushed to death  
And fail to feel the Spirit's breath?  
No time – because our lives, absurd  
Preclude from time spent with His word!  
No time within our full employ  
To know our Lord's transcending joy?  
What is this life if, full of care  
We have no time to spend in prayer?

*By Nigel Beeton (with apologies to WH Davies)*

### **A prayer for families on Mothering Sunday**

Father, you are love. If we had to draw you, we might draw one big heart overflowing with love in every direction. And Lord, as your much-loved children we want to reflect your characteristics. Thank you for those who do. Thank you especially at this time for mothers – and others who love and teach how to love. Thank you for the special relationships of love you make possible within families. And when those relationships go wrong, help us to reach out with a forgiveness that comes from knowing *we* are forgiven; with a love that comes from knowing *we* are loved. And how much you do love us! So much that you gave us Jesus, your only Son, so that by trusting in him, we could be in a right relationship with you. What a parent! What a family we belong to! Thank you.

In Jesus name, Amen.
